## Vote for Your Class Guardian!

Naming a student as Senior Class Guardian is a tradition that began in 2006 with the first graduating class to enter Fossil Ridge High School. The esteemed title is given to the student who best represents the spirit and character of the senior class. This person must have been involved in the school and demonstrated a high standard of character and leadership throughout their time at Fossil Ridge High School.

The Class Guardian will lead the graduating class into the graduation ceremony, carrying a chalice with their name forever etched on. This person will also give a speech at the end of the graduation ceremony. Both the chalice and the speech that's read every year were gifts from the Class of 2006 to Fossil Ridge High School.

The FRHS Staff has completed the process of nominations to compile the final 20 candidates listed below. Now it is your turn! Please vote for your choice for Senior Class Guardian. You must be logged in to your PSD email account to have access to the form. **The voting deadline is 4:00 p.m. Wednesday, April 24.**
