

2021 Capping Ceremony

Our annual Capping Ceremony is an event that gives graduates an opportunity to honor a person in their life who has helped them advance to this point. This person may include a parent, relative, friend, teacher, or community member.

During the ceremony, each student will have 30-45 seconds to introduce their capper and explain why the special guest was selected. At the end of the ceremony, all graduates will, ceremoniously, be capped by their selected person.

Capping will take place on Thursday, May 20th in the PAC from 6:00-7:00pm. Each senior is responsible for notifying their "capper" and giving them the information for the event. Family members are welcome and encouraged to attend.

Please fill out the form below and return it to the main office by Tuesday, May 18th. Please RSVP with this form to attend the capping ceremony.
