Facilitator: **Dr. Chaplain**

Estimated Time	Topic	Lead Person	Method	Notes
5 minutes	Welcome	Dr. Chaplain	Discussion	
10 minutes	DAB Update	Mrs. Williams	Information Sharing	<p>Looked at scenarios for school start times. They did pre and post voting of scenarios. B modified was most liked</p> <p>Modified B version that allows student to get out at 4:00pm</p> <p>Finance is giving \$800k more back to the schools for December count.</p> <p>FRHS has not learned what this amount will be</p> <p>Bonds were sold and received more money for the sales. Some money will come to the schools</p> <p>DAC made a recommendation that SEL should be addressed with some of the extra funds and standardized supports across the district</p>
20 minutes	Initial Connections Results	Dr. Chaplain	Presentation of Results	<p>Snap Shots Attached</p> <p>SAC asked how teachers or a team could set a goal targeted on raising – We have several committees and how can we communicate what we learned from the survey and work on</p>

				<p>focusing or highlighting the efforts towards building connections with students</p> <p>Could add on to the lesson in Advisory when we give the Connections survey next year</p> <p>Present data to Advisory classes and ask for their ideas 0 one thing that would make the school better</p> <p>18 students who are unsure they will graduate said we can talk to them. Once we get the list, we (Principal &amp; Counselor) can talk with the students</p>
30-40 minutes	Culture Work & Student Feedback	Mr. Nye, Dr. Chaplain & Student Representatives	Presentation & Discussion	<p>Student Feedback from the Culture Retreat – shared Issues &amp; Solutions presented by students</p> <p>Every community has people who fit and those who don't but care and won't stop trying to find ways for students to connect</p> <p>Gratitude Grams – Spectrum Alliance</p> <p>Students will discuss topics: A Day to Be &amp;</p> <p>Rachel's Challenge – students in Senior Service Project want to look at bringing back Rachel's Challenge. They were the last year to experience the Chain Reaction Days. Explained the Freshman presentation and chain reaction days. Students presented survey data from 153 seniors asked if Rachel's Challenge Impacted them and if they think it should be back.</p>

				<p>Suggestions from SAC: Other programs that don't cost as much, taking to other schools, offering it on Saturdays in stead of during the week. Creating this opportunity "in-house"</p> <p>DLA – A Day to Be projects tries to connect the RC opportunity and school-wide creating small groups and going into vulnerable conversations. Diversity Day = every student is an individual and has a story and try to better understand their peers. Unity Day = building a school culture and coming together. Student- led, created and implemented</p> <p><a href="http://Tinyurl.com/daytobe">Tinyurl.com/daytobe</a></p> <p>SAC question: what was attendance for the day?</p>
