Advertisements, Bulletin Boards, and Posters

Student groups may display important notices, posters and fliers in designated areas and public bulletin boards after an administrator has approved them. Fliers or advertisements may not be placed on windshields of vehicles on campus. Posting notices of private profitmaking organizations are prohibited.

Assemblies

Assemblies and pep rallies are provided for the education and entertainment of the student body. Assemblies will be scheduled primarily during advisory period and at other times designated by administration. Students attending assemblies should take their seats quickly and conduct themselves appropriately and respectfully during presentations and performances. Attendance at assemblies is required unless otherwise posted.

Building Safety and Security

Students are permitted to enter through the Main Entrance only. During arrival, students may also enter the building through the Northeast entrance near bus drop-off. Students are not to prop-open exterior doors or open exterior doors for other students.

All visitors to any school must check in at the administrative office immediately upon arrival. Unauthorized visitors will be asked to leave school property and may be cautioned that in the future they may be cited for trespassing. Uncooperative visitors may be referred to the appropriate law enforcement agency by the building administration.

Commons

The Fossil Ridge Commons and Food Court facilities are open for the convenience of students and staff to dine, study, or quietly socialize. Students and staff are expected and responsible for cleaning tables and areas they use prior to leaving. Students are expected to conduct themselves in a safe and respectful manner and are not allowed to sit or put their feet on tables, counters or backs of chairs. Students who act inappropriately in the commons may be denied the use of the area for periods of time by administration.

Communication

School Web-Site

Students and parents are encouraged to check the FRHS website at <http://frh.psdschools.org> often for updated information including daily news and announcements. Important news articles and detailed announcements are posted regularly to the SaberCat News Central section of the school web site. Please check this section regularly to keep informed of what is happening at Fossil Ridge High School.

PSD Communications

PSD will use its emergency notification system, School Messenger, to email parents and send text messages using parent contact information on file in Synergy (the student information system). Using this tool provides many benefits to parents including:

- Ability to target communications to specific groups within a school (ie. specific grade levels)
- Ability to send text messages
- Parent/guardian emails will follow students from school to school

Counseling Department

Emergency Drills & Evacuations

Emergency drills are conducted in cooperation with the local fire department in order to safeguard the students in case of an emergency. The building fire alarm is sounded during fire drills or emergencies. It is important for students and staff to evacuate the building calmly and immediately, following procedures and posted exit plans. Students and staff are to move quickly out of and away from the building and to remain in designated locations until permission is given to re-enter the building. Individuals who deceitfully pull a fire alarm will be subject to suspension and/or criminal charges.

Lock-down emergency drills will also be practiced throughout the school year. Students are required to respond according to administration and staff instructions.

Fundraising

The school Activities Director or Principal must approve all fundraising activities and events. All money collected at events must be handled and recorded by the school's bookkeeper through the Public Schools Activities Account.

Guests & Visitors

Adult visitors to FRHS are welcome but must check in at the office and wear a visitor sticker/badge while in the building. Visitors will be approved for specific academic or school-related reasons only.

No students from other schools will be permitted to visit FRHS while either their home school or FRHS is in session without prior written permission from an administrator. As a general rule FRHS does not allow students to "shadow". Access to Fossil Ridge students during the school day is allowed only for immediate family members who can verify their relationship with proper identification. Visitors on campus who are not authorized to be on campus may face trespassing charges.

Guests invited to attend Fossil Ridge dances or other special events by a Fossil Ridge student must be approved by administration prior to each scheduled event. Guests are only permitted for Homecoming and Prom. Any FRHS student wishing to bring a guest from another school for Homecoming and Prom must follow guest pass procedures. Guest forms are available in the East Wing and need to be returned to the Deans. FRHS students are required to present current school ID for dance admission.

Students/parents may set up a pre-arranged school tour given by a FRHS Ambassador student **after** school hours. Please call Ms. Smela 24 hours ahead of time at 488-6431.

Classroom instruction is protected from unnecessary interruptions. Classes may be interrupted **only** for appropriate or emergency reasons. **Students will be called down between periods for messages or items left for them. It is the student's responsibility to retrieve messages and/or items.**

Health Services/Medication

All students are required to provide a certificate of immunization or present a valid exemption. Poudre School District and state law requires all students be compliant. For complete information regarding these requirements, please contact the School Nurse or Health Technician at 488-6305. Hours for the school nurse and health tech vary, as they are both part-time.

If a student becomes ill or is injured while at school, he or she should report to the office for assistance and evaluation by the nurse or office staff. Students with ongoing health issues should provide a yearly updated health plan to be placed on file in the office. This information will be used to guide school staff if medical intervention is necessary.

Medications: All medications taken at school are to be managed and administered per current district policy. No medications are to be taken on school premises without required parent and health care provider's signatures. For further information regarding medical services, go to the FRHS website and click on the health tab.

Information Technology

PSDSchools.org is the Poudre School District networking service domain that allows students to do research on the Internet, send and receive electronic mail (email) messages, and store class work on school file servers. Students are automatically assigned user accounts to access systems on PSDSchools.org. Parents who do not want their students to access the Internet or utilize computer technology must sign a non-permission form. The following guidelines have been established by PSD and FRHS to enable students to understand expectations for the use of technology at school. PSD networking violations will be treated as any other conduct issue at FRHS. Loss of network access and the privilege to use school equipment may be a consequence of any violation. The technology systems administrator reserves the right to determine potential violations. All students are expected to read and comply with the PSD-Net terms and conditions printed in the district Student Rights and Code of Conduct publication.

How to Open a Student Account:

If you have previously had a PSD Network Account, or if you were registered by the first day of school, your account will be activated at the beginning of school. Listen for announcements regarding activation of access. If you are a new student at Fossil Ridge, see the Technology Manager immediately after registration.

Expectations for Network Use of Computers: Use of network access systems is a privilege, not a right.

- Students should never share their account information with another student (or use another student's account).
- All students are expected to use appropriate care and discretion when using computers and program applications to avoid unnecessary damage to equipment and support programs.
- Headphone use in computer lab is left to the discretion of the teacher. In general, students may wear headphones if the teacher is not lecturing.
- A PSD laptop device will not be issued to a student if he/she has an outstanding technology fee at the time of distribution. Students must pay all outstanding fees first and then will be issued a PSD laptop device for use during the current school year.

Use of the Network:

Inappropriate use of the PSD Network will result in consequences ranging from warning, suspension of network privileges and even expulsion. Some examples of inappropriate use include but are not limited to the following:

- Safety violations: threats, harassment, slander, and vandalism
- Viewing, storing, sharing, and/or concealing offensive/inappropriate/unauthorized materials. This includes, but is not limited to pornography, profanity, games, music files/players, executable files, and unauthorized software

- Sending, receiving, or printing inappropriate email messages including annoying messages, chain letters, and SPAM
- Online games and discussions (except as authorized by a staff member). **NO GAMES of any kind should be installed or located on PSD laptop or desktop computers.**

Computer Usage Violation:

Students who fail to follow computer usage guidelines will be subject to administrative referral.

Levels of Computer Usage Violation Students who violate the usage policy may do so on multiple levels. The following includes examples of violations, but is in no way an all-inclusive list. Final determination of level of violation and consequence remains with administration.

Level One: playing online games, accessing inappropriate websites if not blocked

Level Two: downloading games or other software, using a proxy server to circumvent the district filters, using technology to harass or threaten others

Level Three: manipulation of servers, hacking the computers or accounts of district personnel, making physical changes to a laptop

Consequences for technology violation range from a warning to a suspension or recommendation for expulsion. Multiple offenses will result in increasingly severe consequences.

Lockers

Lockers are assigned to students for the storage of books and personal items. Students may use only one locker and are responsible for general upkeep, as well as any items stored within. **Students may be required to share lockers.** Students are responsible for any damage to their locker and will be billed for any misuse or abuse. Defacing a locker or displaying offensive or inappropriate material on a locker may result in loss of locker, fines, or other disciplinary actions. *The school will not accept responsibility for any items stored in a locker that are stolen or damaged.* Students are encouraged not to store money or other valuables in their lockers. Students may not use personal locks on hallway lockers. Personal locks placed on hallway lockers will be removed by administration. Personal locks may be used for P.E. lockers only. All lockers must be cleaned out by the last day of school. Students will be billed for any required cleaning.

According to district policy, school lockers are the property of Poudre School District and at all times are under the control and supervision of school administration. Lockers and their contents may be searched and examined at any time by the Principal or school staff. Similarly, at the school's request, trained search dogs may be brought in unannounced to search school grounds and locker areas. Inappropriate and/or dangerous items found in lockers may be seized during searches by staff or administration.

Lost and Found

The lost and found area for common items is located on the south end of the commons just east of the main office. Any electronic items are securely kept behind the receptionist desk in the main office. Other larger items may be kept in the Campus Security Officer's office or the School Resource Officer's office. All lost and found items are disposed of regularly.

Lunch/Food Service

Cash and checks payments are accepted for lunches \$3.10 and breakfast \$1.45 during the normal serving hours. Cash and checks are accepted at the school during breakfast and lunch serving times. Online payments

can be made through the PSD main page website, (click on lunch menus in the quick link box). A credit balance can be maintained throughout the school year for any food items offered. Remaining balances will be carried over to the next school year. Graduating seniors and students leaving the district may ask for a refund by seeing the kitchen manager and filling out a Request for Refund Form. For questions, please contact the Kitchen Manager at 488-6304.

Individual teachers may have restrictive policies regarding food and drink. Please refer to individual teacher syllabi for classroom food/drink policies. **All** food and drinks are prohibited in the gyms, weight facilities, auditorium, and computer and broadcasting labs.

Media Center

The Media Center is open Monday through Friday, 7:30am-4:30pm. It is available to students before and after school, at lunch, and for drop-in use during off-periods. The Media Center houses a diverse collection of non-fiction and reference books, classic and contemporary fiction, bestsellers, graphic novels, foreign language books, and audio and e-books. Magazines and newspapers are also available. The Media Center also provides a number of online databases with access to full-text magazine and journal articles, reference works, viewpoint essays, primary sources newspapers, radio and TV transcripts and multimedia. Nondiscrimination/Equal Educational Opportunity

Poudre School District is committed to the policy that no otherwise qualified student shall be excluded from participation in, be denied the benefits of, or be subject to discrimination under any District program or activity on the basis of race, color, religion, national origin, ancestry, sex, sexual orientation or disability. This policy shall apply to access to and participation in educational activities, course offerings, athletics, counseling, employment assistance, and extracurricular activities.

Every student of this District shall have equal educational opportunities regardless of race, color, religion, national origin, ancestry, sex, sexual orientation, or disability.

The Director of Student Services is responsible for coordinating the District's compliance with the terms of this policy and compliance with applicable civil rights laws, including Title VI of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973. Inquiries concerning such compliance should be directed to the Director at 2407 La Porte Avenue, Fort Collins, Colorado 80521, or by phone at 970-490-3033.

Open Campus

Open-campus is a privilege, not a right, of senior high school students, and shall be subject to regulations adopted by the principal of each high school.

If a student is not registered for a class during a period, he or she may leave campus, use the media center for study, or visit the student commons. Parents are encouraged to discuss with their student(s) the option of leaving campus during the day during a free period or lunch. If a student chooses not to attend a scheduled class, he or she may be prohibited from certain areas of the campus by administration. Students who drop a class or have been dropped from a class may also be prohibited from certain areas of the campus by administration. Students may not sit in their vehicles, loiter in the halls or parking lots, or disrupt classes if they have an open period in their schedule.

Student Resource Officer (SRO)

Along with all other secondary schools in Poudre School District, Fossil Ridge High School participates in a partnership with the Fort Collins Police Department known as the School Resource Officer (SRO) Program. The purpose of the SRO Program is to ensure a safe learning environment, improve relations between law enforcement and students, and to be a resource to students, staff and parents. The SRO will handle complaints such as theft, harassment, motor vehicle accidents (in the parking lot) as well as all other criminal nature circumstances. The SRO maintains an office in the main commons area of Fossil Ridge. Students are encouraged to stop in or contact the officer at 488-6306.

Surveillance Cameras

As a part of the effort to ensure a safe and secure learning environment, video cameras are located in and around the building.

Student Conduct/Policies and Procedures

Academic (Scholastic) Dishonesty

Per the Poudre School District Code of Conduct, scholastic dishonesty, or plagiarism/cheating are serious offenses and will not be tolerated at Fossil Ridge High School. Violations of FRHS policy include but are not limited to:

- Giving another student completed assignments to copy and submit as their original.
- Copying another student's work or paraphrasing another's words or ideas and submitting them as original work.
- Submitting another individual's work as your own.
- Distributing exam information to other students.
- Copying portions or pages from books or electronic references or sources without proper citation (including using translation services such as Google Translate).
- Taking or copying answers from another student during a test situation.
- Viewing or using a cell phone or wireless device during an examination.

Offenses carry from year to year and apply to all courses a student is enrolled in. The following consequences apply for incidents of dishonesty:

First offense – The student(s) involved in the offense will receive a zero (0) for the work or exam assigned. Parents or guardians will be notified, as well as administration for possible additional school consequences.

Second offense - The student(s) involved may receive a suspension from school in addition to a loss of assignment points. Parents or guardians will be notified, as well as administration for possible additional school consequences.

Third offense – The student(s) involved will be dropped from the course with an "F". Parents will be notified of additional school consequences, including but not limited to suspension.

Repeated offenses - May result in administrative recommendation for expulsion.

Attendance Policy

Regular daily attendance is vital for students to succeed at FRHS. The loss of real-time instruction with teacher and classmates cannot be replicated and may impair the absent student's academic progress. Therefore, parents/guardians and students should make every effort to prevent intentional absences from school. PSD's goal for student attendance set by the Colorado Department of Education is 95% or higher for daily student attendance. The responsibility of meeting this goal is shared between the student, the parent/guardian, and the school. FRHS is expected to meet or exceed this goal.

Students are expected to be in classrooms when they have a scheduled class. Systems have been implemented to keep students from loitering in the hallways, flex labs, etc. FRHS is an open campus. Students may use the Commons or Media Center during scheduled off periods, or leave campus, but will be actively encouraged to be in scheduled classes or they will be escorted to a supervision location for attendance intervention.

Policies and procedures for addressing absences are as follows:

- Any student arriving after first 10 minutes will be marked absent.
- Absences and tardies must be called into the attendance office within 5 school days by a parent or guardian. **Absences called in after 5 school days will remain unexcused.**

- Students may not call in to excuse their own absences. Doing so will result in disciplinary consequences.
- Arriving late or leaving early: parents need to call the attendance line to excuse the student.
- Students 17 years or older may be denied credit due to excessive unexcused absences.
- Make-up work shall be provided for excused and school/activity absences. The student is responsible for picking up all makeup assignments on the day he or she returns to class. Students shall have at least one day to complete make-up work for each day of absence. The school provides students serving suspensions the opportunity to make up the work missed.
- Students with unexcused absences have an opportunity to earn up to 60% of the value of the earned grade on the assignment.

Excused Absences

The following are considered **excused** absences according to district policy:

- Absence due to illness or injury, or to attend a doctor's appointment
- Pre-arranged absences approved by administration for family activities, appointments or circumstances that cannot be taken care of outside of school hours
- Absences to attend school-sponsored activities approved by administration. **Athletes must attend at least a half-day to participate in an athletic competition scheduled for that date.**
- Absences to attend required legal proceedings
- A student who is excused by a parent/ guardian for observance of a religious holiday.

Please note: Absences must be called into the attendance line. However, the school may require adequate verification for the above absence exceptions including written statements from physicians.

Unexcused Absences

Every week a list of unexcused absences will be generated by administration. **Students who accumulate three or more unexcused absences within that time period will be assigned a 45 minute detention for the third and every subsequent unexcused absence up to 6 unexcused absences.** Students who have 7 or more unexcused absences will result in an office referral. Students will be personally notified of their detentions through the campus security team. Failure to serve the detention within 5 school days will result in an office referral.

Tardies

A student is considered tardy if they arrive to class after the last bell has rung. Parents can call to excuse tardies for illness, injury, court, or doctor appointments. Tardy students will be assigned disciplinary actions as follows:

- Students may have 2 unexcused tardies (TU) per week without consequence.
- Students who have 3-4 TU must serve one 20-minute detention
- Students who have 5+ TU must serve two 20-minute detentions and have a Dean referral

Detention

Our goal is to positively impact our school-wide attendance and ultimately student success by creating a more immediate and meaningful response to unexcused absences. Generally speaking, we will assign detentions during lunch, late start, or off hours. However, if a student has missed a significant number of class periods, that student may be assigned a ½ day or full day of In School Suspension.

If detentions are not served within the assigned time frame, each detention will become an hour of community service. Community service hours will remain on a student's account until graduation. Having an outstanding balance of community service hours can result in the loss of privileges, including participation in FRHS events and activities.

You will receive a notification on Monday the week you need to serve detention.

Dress Code

School is, in part, a workplace for students. Thus, an environment that encourages appropriate clothing is necessary. Students at FRHS should dress in a way that is not offensive to members of the school community, not disruptive to the educational process, or a threat to the safety and health of others. District approved guidelines at FRHS for student attire is as follows:

- Clothing must be worn so it covers underwear, as well as the back, midriff, chest and buttocks. Beach and swimwear are inappropriate for school.
- Clothing that promotes alcohol, drugs, tobacco, gang affiliation, weapons, or profanity is prohibited.
- Any jewelry or accessories that could be used as a weapon will not be allowed.
- Skirts and shorts must be of appropriate length (no buttock crease visible).
- Half shirts, undershirts, see through or mesh shirts, tube tops or any tops without a back will not be allowed.
- Sunglasses, dark glasses, masks or any attire which covers the face are prohibited.

Administration will make final determinations of dress code violations. Students found in violation of the dress code will be asked to change their attire. Failure to follow staff requests will be grounds for disciplinary action. *Students who receive multiple referrals for dress code violation may face more severe consequences, including but not limited to suspension.*

Electronic Devices

Radios, stereos and other similar items are not to be brought to school with the exceptions of phones, I-Pods, and MP3 players with headsets. Laser pointers are prohibited and will be confiscated. Students who repeatedly violate these expectations may lose the privilege of carrying these devices on campus and face disciplinary action. **FRHS is not responsible for any lost or stolen electronic or communication devices.**

Personal Communication Devices

Personal Communication Device" or "PCD" is defined to include all cell phones, pagers, personal digital assistants, cameras, audio/video recorders, and other hand-held electronic communication and data storage devices.

Students may possess and use PCDs at school except under the following circumstances:

- Students shall not use PCDs at any time during testing, when they are in class or participating in or attending education-related activities, unless expressly authorized by the principal or his/her designee.
- Students shall keep all PCDs out of sight at all times when they are in class and in or attending education related activities, unless expressly authorized by the principal or his/her designee.
- Students shall keep PCDs turned off or dormant at all times they are in class and at all times they are participating in or attending education-related activities, unless expressly authorized by the principal or his/her designee. In this regard, "dormant" means elimination of all vibration alerts, alarms, ring tones, flashes, and other methods of notification of incoming calls or messages.
- Students shall not use PCDs when they are not in class or when they are not otherwise participating in or attending education-related activities if such use results in disruption of the educational process or of school operations, as determined by the principal or his/her designee.

If one or more of these rules conflicts with a student's IEP or Section 504 Plan, the conflicting terms of the rule(s) shall not apply with respect to that student.

Students who violate any of these rules are subject to one or more of the following consequences for each violation:

1st offense: Teacher may confiscate the PCD until the end of the school day.

2nd offense: Teacher may confiscate the PCD. PCD will be held with a Dean until the end of the school day. The student must have an administrative conference with the Dean. A Dean will notify parent/guardian of concern.

3rd offense: Teacher may confiscate the PCD. PCD will be held with a Dean until a student and parent conference is completed.

Further offenses may result in the loss of PCD privileges in school and/or other disciplinary action.

Loitering and Trespassing

Students are not allowed on any other campuses in Poudre School District other than their own. No students or other individuals shall loiter, idle, or wander in the building or on school grounds with the intent to interfere with or disrupt the school learning environment, or with the intent to endanger students or school personnel. The School Resource Officer may cite offenders for loitering or trespassing.

Parking

The school has two (2) lots for students to park in. Students can park both in the southeast and southwest lots (except for staff parking in the southeast lot). The northwest lot is for staff only. Visitor parking is in the front circle. Handicapped parking has been provided in all three (3) lots. All lots have signs to designate areas for visitor, handicapped, and staff parking only.

Student drop off and pickup is restricted to the outside lanes of the southwest, southeast lots, the front circle, and Rock Creek unless marked for bus parking.

Students and staff attending FRHS on a regular basis are expected to obtain hang tags or stickers to identify their vehicle. Hangtags and stickers are used to identify vehicles for safety reasons.

PSD policy **JLIE** – student vehicle use and parking, allows for the following rules and guidelines:

When parking lots are provided on campus, all student-driven vehicles shall be parked in such lots. No vehicles may be driven on school grounds except in designated parking areas. Student-driven vehicles shall remain parked while students are scheduled to be in class. No loitering in parked cars or on school parking lots shall be permitted during the school day. The privilege of bringing a student-operated motor vehicle onto school premises is based upon the condition of consent by the student driver to allow a search of the vehicle when there is reasonable suspicion the search will yield evidence of contraband. Refusal by a student, parent/guardian, or vehicle owner to allow search access to a motor vehicle on school premises when requested shall be cause for termination without further hearing of the privilege of bringing any vehicle onto school premises by said individual. Each school is authorized to engage in routine patrolling of student parking lots, visual inspection of student automobiles, and the use of dogs trained to alert at the scent of drugs, explosives and other contraband. Principals may adopt additional parking and driving regulations as necessary for the proper operation of their schools and programs.

In order to park at Fossil Ridge High School, students must obtain a hang tag for a one-time fee of \$25. The hang tag is valid for the time they are at FRHS. Students need to first purchase a hang tag, then bring a receipt, a completed application, a valid driver's license, proof of current insurance, and current vehicle registration slip to the Campus Security Officer. A \$5.00 replacement fee will be required for additional or lost hangtags. Hangtags are assigned to the students and not to the vehicle and may be transferred to any vehicle the

student is driving on campus. Hangtags may not be given to another student to use. Hangtags are to be displayed to be readable through the front windshield.

Driving and parking on campus is a privilege. Student who drive and park their vehicles on campus will adhere to FRHS traffic rules, PSD policies, and State and Federal statutes regarding traffic. Inappropriate behaviors in the parking lot will be addressed by school officials and may result in school community service, booting, loss of driving and parking privileges on school property, tickets from local law enforcement, and/or towing of vehicle at owner's expense. Students will be required to pay a \$25 parking fee if their parking privileges have been revoked and are reinstated during the school year. In the event that an offense recklessly endangers self, others, or property, privileges may be automatically suspended or revoked. Violations may be appealed and a No Permit slip may be used to avoid some tickets. See a Dean of Students for additional questions.

Vehicle Searches

Per the Poudre School District Code of Conduct (JIH):

Each school retains the authority to patrol its student parking lots, and all vehicles parked in student lots are subject to sniffs by dogs trained to alert at the scent of drugs, explosives and other contraband. In addition, the interiors and trunks of all vehicles parked by students at school may be searched upon reasonable suspicion that they contain items or substances which it is illegal for students to possess and/or items or substances which District policy or regulations prohibit from being on school property. Failure to allow the search of a vehicle's interior or trunk under these circumstances will result in the student's automatic loss of the privilege of parking at school for at least the remainder of the academic year.

Any item found in the course of a search conducted in accordance with District policy and determined to be evidence of a violation of District policy, school rules, or federal, state or local laws shall be immediately seized and tagged for identification. Such evidence will be kept in a secure place by the principal or principal's designee. If such evidence is determined to concern a violation of the law, the principal or designee shall promptly contact a law enforcement officer to pick up the evidence. Otherwise, the evidence shall be maintained by the principal or principal's designee until it is no longer needed as evidence in a school disciplinary hearing, at which time it will be returned to the parent, guardian or legal custodian of the student from whom it was seized.

Police Dogs

Each school is authorized to use police dogs for in routine patrolling of student parking lots, student lockers, all areas of the school, visual inspection of student automobiles, and the use of police dogs trained to alert at the scent of drugs, explosives and other contraband.

Reporting Threats/Inappropriate Conduct

If a student believes that they or others are being threatened or if they have knowledge of the presence of drugs, alcohol or weapons on campus, they should report this information immediately. Students can share information and concerns with teachers, counselors, administrators, the School Resource Officer, or other school staff. They may also use Safe2Tell, the 24-hour confidential Safe2Tell hot line, either by texting or

calling 877-542-SAFE. Student privacy and anonymity will be appropriately protected in all situations where possible.

Skateboards, Bicycles and Skates

Skateboards, skates, and bicycles may be used to arrive and depart from school. These and other similar equipment must be dismounted when students enter campus to prevent pedestrian accidents or injuries. Participating in tricks, stunts, or jumps while using these items on school property is prohibited. The previous actions are subject to school discipline or tickets by school Security or Police. Skateboards and skates are to be placed in assigned lockers or locked in available racks during school time. Bicycles may be parked and locked only at designated bike racks. Bicycles parked and locked at any other locations may have locks cut and bicycles taken inside for the owner to claim.

Advisory

The Advisory program at Fossil Ridge High School is a four-year program where students meet weekly with a teacher advisor in a small class setting. This helps to create a smaller-community feeling and a sense of belonging. Since every student is in an Advisory class, it is a perfect venue for sharing information, touching base with goals and grades, attending assemblies, and participating in common school activities. The Advisory curriculum focuses on critical skills that help to prepare students for life and high school through personality inventories, career assessment and research, college searches and applications, scholarship searches, interviewing skills, job skills, service learning, academic success strategies, and more. Students will complete their high school experience by graduating as an Advisory class at the commencement exercises. Each week in Advisory, students receive lessons and assignments that help them progress toward the completion of their ICAP.

Common Advisory Curriculum for All Grade Levels:

- Academics: Academic/Study Time, Class Registration, Test Preparation.
- Counseling & Character: Academic Planning, Drug & Alcohol Awareness, Suicide Awareness, Abilities/Disabilities Awareness Day, Character Trait Awareness, Career Planning, Communication Skills, Team Building, Leadership Skills, College Fairs, Career Fair

At the end of the first quarter, students who have earned a grade of C or better in all their classes, are enrolled in 6 classes plus ELO and Advisory, and have signed parent permission may earn a “Released” status for ELO. This Released status allows those students to stay in their ELO classroom, work with other teachers, study in open flex labs and the commons, or leave campus for the remainder of the day. Students who do not qualify for Released status will remain in their ELO classroom or obtain a pass to travel to another teacher’s classroom in the building, engage in enrichment opportunities, or attend a career speaker series.

Assessments

The following tests will be administered at FRHS. Fees, if applicable, should be paid to the bookkeeper. Most colleges and universities require students to submit scores from the SAT or ACT exam as part of the college application process. Information about these exams and application forms are available in the College & Career Center.

First Semester

- PSAT/NMSQT Assessment – fee required, recommended for juniors

Second Semester

- SAT Assessment – junior students. Test is given in April. Mandatory test.
- Advanced Placement Exams – fee required for each test taken. Students taking AP courses who are seeking college credit for these classes must take the AP exams in the spring.

Blackboard/Google Classroom

Fossil Ridge High School supports an instructional and communication website application program called “Blackboard”. All Fossil Ridge staff have received training and support to use the Blackboard program for their instruction and communication with students and their families. Teachers also may use Google Classroom. Using Blackboard/Google Classroom, Fossil Ridge staff can post current class notes, announcements, assignments, and even tests for students to access at any time whether they are at school or at home. Many FRHS staff also use the more advanced features of the Blackboard program to enable students to share and evaluate multimedia presentations, participate in course blog and discussions, and access recorded course lectures and presentations.

Parents/Guardians can access their child’s Blackboard site by visiting: <http://vhs.psdschools.org> click on **User Login**; Username is Student ID number, Password is student’s 7 digit PIN number; Click on the Course Name

Field Trips

It is the expectation that all students will communicate with teachers before missing any class about making up assignments. Students with more than one “F” may be denied the privilege of participating in field trips or other non-athletic out-of-school activities. Prior to the field trip or out-of-school activity, it is the responsibility of the student to check with his or her teacher. A teacher can recommend that a

student not be allowed to go on the activity if his or her grade is failing or if the absence would cause harm to his or her regular course of study, such as missing a test.

Field trips may potentially involve risks and responsibilities for your child that are beyond the scope of those normally associated with educational activities at school. Such risks are personal injury and/or damage to personal property. Students attending a field trip are required to fill out a Student Permission Form (provided by the field trip sponsor/teacher). High School students will at times take a field trip that they may be asked to drive or carpool to. In this case the “designated driver” is required to fill out the Volunteer Field Trip Driver Application and provide a copy of their driver’s license and current insurance coverage (copies from previous trips are not accepted). To account for all students, passengers are required to be on the list of the appropriate driver. Students 18 years of age or older are still required to provide the Student Permission Form and Volunteer Field Trip Driver Application.

Grading Information

Fossil Ridge High School’s grading scale is as follows:

90 – 100	=	A
80 – 89	=	B
70 – 79	=	C
60 – 69	=	D

Grade Change Policy

The original grade will be denoted on the transcript as “repeat forgiven”. A student may receive credit for the course only once. After a student has retaken a course, he or she must complete a grade change form and submit it to his or her counselor to receive administrative approval. Forms are available in the Registrar and Counseling offices.

Schedule Changes/Class Drop Policy

Schedule repairs and Add/Drop opportunities are offered to students who have errors on their schedules or reasons for needing to change their classes. Schedule changes are limited to these opportunities each semester. Schedule repairs and Add/Drop are student-initiated processes and conducted within designated times and on a space-available basis.

Schedule Repairs will be limited to the following:

1. Class on schedule that a student has already passed
2. Scheduled in the same class twice (ex: 2 Chemistry classes)
3. Student is not meeting a graduation requirement (seniors only)

5. Change in 4 year academic plan that impacts college admission – approved on an individual basis.

All Students must be enrolled full time.

Add/Drop

Add/Drop occurs twice per year (one time for each semester). The purpose of Add/Drop is for students to make minor changes to their schedule that do not fall in the criteria for schedule repairs. Add/Drop is only offered at one time during each semester, student MUST attend Add/Drop in order to adjust their schedule for the semester. No schedule changes will be made outside of these designated opportunities. Please see the FRHS Counseling website and FRHS home page for schedule repair and add/drop dates for this school year.

Dropping a Class

Students may drop a class up to the 4th week of a semester with a "W", if the drop will not put the student below the required credit hours. Permission will only be granted with administrator, teacher, parent, and counselor approval. After the 4th week, a dropped class will result in a "WF". A "WF" drop requires student, parent, and counselor or administrator approval.

Student ID Cards

This pass will admit students to home athletic contests and some other designated events. The pass also entitles students to student prices at away events. Passes do not admit students to district, regional, or state competitions, or to invitational or conference tournaments. **Lost or damaged cards will be replaced for a fee of \$5.00. Please see the campus security officer for ID.**
